

## Drama

### Potential Difficulties in Your Subject

- \* Difficulty reading scripts and text
- \* Lose place in reading or read the wrong lines
- \* Difficulties writing quickly and legibly with developing scripts
- \* Confuse stage directions eg left/right

### Strategies

- \* Provide scripts in advance to allow students extra time to prepare
- \* Give large print versions of scripts to enable students to find their place more easily
- \* Encourage students to highlight their own parts
- \* Use large prompt cards for instructions and stage directions
- \* Teach the use of mind maps and visual representations to develop story lines.
